

Hostess Program

Lynn Kent
Certified Medium

A séance or sitting for contact with a Spirit loved one should be done with respect and gratitude.

Please understand the importance of group harmony in order to make the séance successful and rewarding for all those attending from the physical and Spirit realms.

Each person that is scheduled for a sitting should have read the “**Hints for a Good Reading**” section on the reverse side of this pamphlet.

The hostess may invite a minimum of 6 to a maximum of 10 people for readings. They all do not have to be present at the beginning of the party; however, please try not to have a delay because of a scheduled later arrival time.

Please instruct the group, that drinking before an individual's reading is undesirable. After your specific guest has completed the spirit contact with me, only

then can moderate consumption of alcohol take place.

Even though Spirit may give future events, mediumship is not fortune telling, I believe in proving the continuity of life. Predictions are possible, but everyone has free will to change coming events.

One on One Reading

I will provide a free recording of everyone's reading. This benefits the sitter because they can go back over the reading by themselves or share with others. Often a person and/or message will become clearer later on and also, by having their own recording, they can understand more fully the spirit contact and the information given; however, I cannot guarantee the recording will come out. I have experienced blank recordings that could be the result of Spirit's intervention.

Reading time periods can vary widely depending upon the Spirits, the material covered, and the importance of understanding the message given to the sitter. However, as a rule, a sitting should last about 30 minutes.

Party pricing is \$50 for ½ hour reading with a free recording of the session.

All party bookings are confirmed in writing. Pamphlets and other informational material will be sent with the confirmation letter.

When 3 or more are scheduled consecutively together at my office in Seekonk Massachusetts, they will receive the party price for a reading; otherwise a private reading is \$65 for ½ hour or \$95 for 1 hour.

Party Schedules

Parties are usually scheduled on Saturday or Sunday on a first come basis. My scheduled arrival time is usually 1:00pm unless otherwise discussed beforehand.

Collection of reading fees (checks, VISA or MC are acceptable) and completed “Code of Ethics & Privacy Policy” form **should be done by the hostess and kept for settlement at the end of the evening in order to maximize your guest's reading time with me.** I can accept both Visa and Master Charge.

Paranormal Phenomena

Haunting?

Do you have unusual happenings around your property or are you just interested in the identification of the spirit presence? I can provide the spirit communication to find out what is happening and why. I am able to explain and expand on who they are and what their actions are trying to convey. Individual cases are priced accordingly. Please call:

Hints for a Good Reading

There are only a few, but very important points about having a spirit medium reading with Lynn.

Reading Format

First, try to put your mind at ease and relax before starting. This creates a better atmosphere for the reading and makes it easier for spirit to make contact. All readings are conducted in a well-lit and open area.

Alcohol

Please do not drink any alcohol before a reading. Undesirable energy will be present that can hamper spirit contact and could affect the quality of the messages.

Your Questions

If you wish to ask a question, or questions, meditate on them in advance of the reading. Give spirit ample time to get an answer. No spirit claims to have an answer on the spur of the moment. After all, you are communicating with people.

Of course there could be a number of questions that come up during a reading. These questions can be asked at the time of the reading, but spirit has the option of not providing the answer and letting the situation run its course.

Spirit Identification

Spirit provides evidence of identity in many different ways. It can be by relationship, description, incidents, name, etc. Be willing to verify such evidential information so the medium can proceed to the message(s) that is to be given.

Specific Contact

Contact with a specific person is not guaranteed although many people I read are pleasantly surprised. **However, I do suggest that you think about that person and make an appointment with them.** Optionally you can bring a picture with you in an envelope, but do not show it to me until I have asked for it, or at the end of the reading.

Also, a piece of jewelry such as a ring, bracelet or watch or a favorite item can be used. These items do not need to be in any envelope or container. All of this helps to bring the energy signature to the reading to make a connection with spirit.

Making Sense

Something may make more sense by the end of the reading, or the understanding of the message or description may come at a later time - after you have had a chance to think about it. So don't be quick to dismiss information that is given. Many of my clients contact me later with confirmation of the person or information given in a sitting.

The true success of a reading is not always measured by prophecy but by the guidance it provides. Predictions are always possible, but you have the *free will* and power to change coming events. **Nothing is written in stone!**

I will realize when the spirit forces have pulled back. Please don't try to prolong a reading.

Thank you in advance for your positive attitude, energy and cooperation.

Gift Certificates

Gift certificates are available for any time of the year for – Christmas, Anniversaries, Birthdays, any occasion. There is no time limit or domination restriction. I can accept credit cards for gift certificates or readings.
